

Writing Part 3

The purpose of part three is to reflect on your search. What did you learn about yourself and about the research process?

Analyze aspects of your search:

How did you find sources? Describe the steps you followed.

Think about your thinking (Metacognition) What "Habits of Mind" did you use? What Habits of Mind did you wish you had used? Give specific examples.

Evaluate your sources:

Which sources were best and why? Which sources were most reliable? Useful?

Did you find multiple perspectives on your topic? Did you try to counter bias found your sources? Did you cross-reference your facts?

What did you learn about working in a group? Give specific examples of things that went well in your group and things that did not go well.

Analyze which habits of mind you used in your group. Analyze which behaviors your group needed to use more.
