

From the giant spider in front of Roppongi Hills/Parking

From the spider, proceed away from Roppongi-dori toward Moto-Azabu, as heading toward the movie theaters. After about 100m, look for the stairway and escalator going down, near the amphitheater/arena. Go down one level, and keep walking in the same direction to cross the bridge over Keyakizaka-dori. Soon you will see the ASJ ELC sign on a building in front of you. Bear to your right with the sidewalk and keep going. You will eventually cross over another street, Sakurazaka-dori. On your right you will see a small children's playground. Keep going past that playground, down 8 stairs to the street level. Turn left. Walk past the church building. Between the church and our building you will take a left and walk along the passage to our front entrance, which will be on your right at the end of the passage. Here you can ring the bell to enter through the dolphin gate and the front door of the school. The nearest public parking is Lot P9 of Roppongi Hills. The ASJ ELC is located across the street and slightly uphill from the automobile entrance to P9.

From Tsutaya/Starbucks corner on the southeast corner of Roppongi Hills

From the Tsutaya/Starbucks doors, turn left onto Keyakizaka-dori, which is the main street on this side of Roppongi Hills. Follow this sidewalk up the hill past several

buildings. You will pass the Issey Miyake store on the left, followed by the Louis Vuitton store on the left. In a few meters you will see the Mini Cooper Roppongi auto dealer window. Immediately past the Mini window, you will see an elevator and stairs leading up to the left. Take either the

stairs or the elevator up to the next level. Looking straight ahead as you exit the staircase or elevator, you will see the ASJ ELC sign on the face of a building in front of you. Walk toward the ELC and follow directions above.
